YK Polish Co.

Thank you

FOR CHOOSING YK POLISH CO — UNIQUELY YOURS.

KEEP. REUSE. RELOVE

Remove any leftover adhesive from the inside of the press-on.

Gently wipe with a damp lint-free tissue and dry.

Store your press-ons safely in their original box.

Adhesive tabs are best for easy temporary wear and reuse.

Glue-applied nails may be reusable if removed gently.

Apply Your Nails

Your perfect set starts here

CLEAN
Clean your natural nails with the Alcohol/Prep Wipe.

PREP
Gently push back cuticles using the Cuticle Stick.

SIZE
Choose the right press-on size for each nail.

APPLY
Apply using Adhesive Tabs or Nail Glue.

PRESS
Place the nail firmly and hold for 10–15 seconds.

SET
Let the nails set fully. Avoid water for a while.

SHAPE
Gently shape or refine the edges with the Mini Nail File.

Apply with patience.
Wear with confidence.

YK Polish Co.

Love Your Nails

Good care = longer wear

- Apply only on clean, dry nails.
- Avoid water for at least 1–2 hours after application.
- Avoid using your nails as tools.
- Wear gloves during prolonged cleaning or washing.
- Choose nail glue for longer-lasting wear.
- Use adhesive tabs for temporary, easy removal.

READY TO REMOVE?

Never pull or force the nails off.

1. Soak your fingertips in warm, soapy water for 10–15 minutes.
2. Gently loosen the press-on from the sides using the Cuticle Stick.
3. If it doesn't release easily, soak for a little longer.
4. Gently remove to protect natural nails.
5. Do not force or peel.

Soak . Loosen . Remove . Rense
